Parish News Committee

New Buckenham Bank Holiday Fete 2019

Monday 26th August 1pm start

The Fundraisers committee are working hard on the arrangements to make sure everything is in place for the big day. We have all the traditional attractions and a few that are newer; Clive has been arranging the vintage vehicles, which have proved very popular. We are hoping for lovely weather again so would be grateful for any loans of gazebos and party tents to provide some shade – let us know if you can help out.

RAFFLE & PRIZES: Hopefully you will have received tickets with this *Parish News*, but time pressures may mean they are not ready and will be delivered separately. They will also be available to buy at Kings Stores and at the main desk on the day. If you do not wish to buy the tickets, please return them in the envelope provided as it is useful to have them back. Tickets, stubs and money can be returned in the envelope to Kings Stores, to Clive at Mill House or brought back on the day. Full details are printed on the envelope. The raffle is an important part of the fundraising, so we like to have a good range of prizes, in addition, of course, to the main cash prizes. If you have any prizes to donate, they can be dropped into Clive or me. We need prizes for other games, so all items are welcome.

STALLS: All the stalls are still collecting and the sooner you can take things the better, as it allows more time to get things sorted out. A reminder of collection points:

White Elephant: please contact Clive at Mill House Garage and he will arrange collection. NO ELECTRICAL ITEMS.

Nearly New: to Clive & Hazel Rush at Mill House. Please remember we are not collecting jumble, so only good quality items please.

Books: to David and me at Beech House, delivery to the garage. Please phone 860216 if you need any collected.

Tombola: Village&Vestry are kindly running this again so will be looking for suitable small prizes. If you have any unwanted gifts, bottles of wine or fizz, chocs, biscuits, soaps, trinkets and such like, please could consider donating them. We'll leave a box for your donations in the church and at Kings Stores or we can pick up any donations you're unable to drop off. Please contact Maria Lloyd (861229).

Cakes: these are used for refreshments or sold on the Cake Stall. Having the same collection point has caused confusion in the past, so please leave 'Refreshment' cakes in the kitchen and 'Cake Stall' cakes on the marked table in the Main Hall.

HELPERS: The most essential part of the Fete is all the help provided by villagers year after year. If you have helped before and have not been asked yet, the committee are working their way through the list. If you have not helped previously, we can never have too many people! There is work from morning to evening and even just an hour helps, whether it is setting up, clearing up or helping during the fete. Try it out, you will probably enjoy it!

We are often particularly short for clearing up, if you are about at the end and can spare some time that would be brilliant. It can be done quite fast if there is enough help. Please send me an email or phone me if you can help, or speak to Clive. If you are unsure, but it turns out you have some time on the day, please just turn up. Any questions, offer of prizes, etc., or help please do not hesitate to contact me.

coffeemates!

Thank you to everyone who has come along to our first three mornings, eaten cake, drunk coffee, chatted, bought raffle tickets, cakes and the lovely things Sue from Flamingo Paperie brings each month. So far, we have raised over £300 for Raise the Roof, Priscilla Bacon Hospice and The Tricky Period, which is a fantastic result!

The next coffee morning is on 10th August, when we hope to raise a generous amount for the Medaille Trust. They aren't an especially well-known charity, but they do vital work helping the victims of human trafficking (women, men and children) who have been freed from modern-day slavery by providing them with safe houses, continuing support and rehabilitation. So do please come along, meet your friends and indulge in a piece of cake – at £2 it's a steal and could help someone in a desperate situation.

Climate Change

Violet Highton recently wrote a pair of pieces in *Parish News* expressing her deep concern about the devastating effects of climate change on our children's and grand-children's futures. My neighbor, Jan Prior, and I were both strangely relieved to read her words. Like most people, our awareness of this ever-growing threat hanging over us had left us feeling increasingly helpless and overwhelmed. The problem seems too huge for ordinary individuals to comprehend, let alone resolve, while our politicians make the right noises, but do nothing. Violet's words – clear, urgent and utterly practical – literally brought this vast, amorphous problem home to our small beautiful rural corner of the world. She said: 'This is not going to go away. We ALL have to do something. Now!'

Jan and I went to meet Violet to discuss ways in which we could act on her concerns. Obviously many people in New Buckenham are already doing things individually, such as reducing the use of single-use plastic, car-sharing, growing their own veg. However, we agreed that the most effective way to combat our collective helplessness is to act together as a community. Jan, Violet and I have been especially inspired by a recent article in the *Guardian* on the 'mind-blowing' beneficial effects of planting trees (see link below).

According to scientists, planting billions of trees across the world is by far the simplest, cheapest and most effective way to tackle the climate crisis. A worldwide planting programme could remove two-thirds of ALL emissions pumped into the atmosphere by human activities. Planting trees is something we can all do right here and right now, in individual gardens, or collectively on common land. It could also act as a model for other villages to follow.

Primarily, we want to inspire renewed hope for the future. For this reason we especially want to involve New Buckenham's 60-plus children and their families with our tree-planting project,

and in a way that is theatrical, memorable, magical and fun. Jan and I would warmly welcome your ideas for this and any other innovative strategies that we could use to fight climate change here in our village.

The article referred to above can be found here: <https://www.theguardian.com/environment/2019/jul/04/planting-billions-trees-best-tackle-climate-crisis-scientists-canopy-emissions>

New Buckenham Village Hall Trust

At the Village Hall Trust AGM on 16th July, we were given a comprehensive report of the work of the Trustees over the last 12 months. We also received reports from three groups who raise money for the Village Hall. These were the Fundraisers, NewBarts and the 200 Club.

Look out for publicity about these groups, because all their events support the Village Hall and more volunteers are always needed. For example, NewBarts needs a reserve projectionist – anybody out there?!

Although I have previously been a Trustee, I had forgotten how much work goes in to the smooth running of the Village Hall, a facility of which New Buckenham should be extremely proud. Thank you to the fund-raising groups, the Trustees and the Administrator for their continuing hard work and commitment to the Village Hall.

Good Companions

At the June meeting, held on the 20th, 20 members enjoyed an afternoon talk from the Reverend Steve Wright about what a vicar does in his spare time. He brought along many examples of his hobbies, including some really magnificent wood carvings.

On the 18th July, we were given a talk by the Blood Bikers – a group of volunteers who use motorbikes and cars to deliver blood and blood products from Addenbrooke's Hospital to hospitals in and around Norfolk: Queen Elizabeth Hospital in King's Lynn, the Norfolk and Norwich Hospital, and the James Paget Hospital in Gorleston.

The next meeting will be held on 15th August at 2:30pm in the village hall.

Food Bank Summer Appeal

As you may have seen on BBC Look East, there is an increased need for food banks in the school summer holidays, when free school meals are not available. There are collection points for the Waveney Food Bank in Kings Stores and at the back of the church. All donations are gratefully received, but at the moment there is an urgent need for pasta sauce, 500g bags of sugar, coffee, tinned tomatoes, long-life fruit juice, custard powder, tinned vegetables and rice pudding. The organisers say that they have plenty of cereal, pasta and beans. Sanitary and toiletry items are also welcome.

The church is open every day from 9ish to dusk, and the porch is open 24/7. And if you do drop donations into church, don't forget to look at our second-hand book stall!

Village Footpaths

Appeal to all walkers with or without a dog!

New proposals to modernise the way in which Rights of Way are recorded have been approved by the Government. Currently all Rights of Way – footpaths and bridleways – are recorded on a Definitive Map of each village which began in 1949. All of the New Buckenham ‘accepted’ footpaths have been recorded on the Definitive Map, except one.

This omission is the short length of path leading from Marsh Lane, thorough the kissing gate between Thatched Cottage and Brook End, to the paths to the south of the village which lead towards Banham and Winfarthing or through the meadows to the Common. This path is marked with a Norfolk County Council fingerpost and is an accepted Right of Way, but has not been included on the Definitive Map. This need to be rectified before the cut-off date of 1st January 2026.

In order to establish continuous use as a footpath, evidence needs to be given to NCC Highways for them to amend the Definitive Map. It is important that this deadline is not missed as, although it seems a long way off, NCC have hundreds of applications to process and to lose an important access to footpath networks in the village would be a great shame. So, if you have walked the path in the past 20 years or before, please consider completing an Evidence of Use form, copies of which can be obtained from Mary Dowson, Karen Hobley or Barbara Cattermole (Flint Lodge, Marsh Lane). Help can be given to complete the form. At least a dozen completed forms will be needed from parishioners for this application to be considered.

The Parish Council is delighted that Barbara Cattermole, who has recently moved into the village and who already has experience in this area, has agreed to support us with this initiative. Many thanks, Barbara.

Karen Hobley – Chair, New Buckenham Parish Council

New Buckenham Parish Council

The Parish Council does not meet in August, but if any issues arise please feel free to contact me using the details below. Our next meeting will take place on Tuesday 10th September at 7:30pm in the Large Meeting Room at the Village Hall. The remaining dates for 2019 are 8th October, 12th November and 10th December.

The Parish Council has access to £480 from Breckland Council as part of Section 106 Agreements (usually referred to as planning obligations), which are legal agreements negotiated between Breckland Council and a developer or landowner who has been working within New Buckenham. This money is ring-fenced for the provision of children's play and outdoor sports facilities in the village and we have to make a formal application to Breckland for the money to be released. As we are now enjoying the long summer holidays (teachers certainly are!), it would be great to hear from any youngsters in the village who may have some ideas on how we could spend it. Again, please contact me using the details below if you have any ideas for the Council to consider. Thank you.

3. Matters Arising: the following issues were outstanding and the Clerk agreed to progress each by the end of August:
 - a) overgrown trees in Marsh Lane;
 - b) replacement of the allotment fence;
 - c) investigate costs and implications of informal white lines outside Kings Stores;
 - d) costings, etc., for additional dog bins.

4. Public Participation

a) District Cllr Askew asked Councillors to contact him by email with any problems.

b) Parish Councillor Reports

Complaints have been received regarding the skip outside Lovells. Noted that skips on the highway were licensed by Norfolk County Council and there did not seem to be any breach of the licence.

The High Bailiffs Trust has offered a strip of Village Green to alleviate parking problems outside St Mary's. Funding would need to be found and the Clerk will contact Highways before the September meeting.

Cllr Dowson reported back from the SNAP meeting. Police priorities were to be speeding within the area and an initiative 'coffee with a cop' aimed at improving community engagement.

c) Parishioners' Comments and Questions

Concern regarding speeding along Church Street to the Village Hall, suggest extra signage. Noted that users of the Village Hall were being reminded of the village speed limit.

It was asked if the Lime tree in the Churchyard could be trimmed. Cllr Manning to ask Vicky Baker if they could deal with it.

- 5. Financial Matters**
 - a) Financial report for June was noted.
 - b) Council Insurance: the Clerk had two similar quotes for the coming year both less than the current year. Council resolved to agree to a three-year deal with Norris and Fisher for £546.76 for this year.
 - c) Payments for July approved.
- 6. Planning**

No new planning applications. Two applications approved by Breckland Council: Land off Cuffer Lane and Fair View, King's Street.
- 7. Section 106 Agreement**

Noted that no monies would be forthcoming from the development of the garage site, but £480 had already been made available from another development for the provision of children's or sports facilities. It was decided to consult village opinion on possible projects (see above).
- 8. Rights of Way: Path in Marsh Lane**

Mrs Barbara Cattermole drew attention to the fact that the path from Marsh Lane to the water-meadows was not on the Definitive Rights of Way Map. The deadline for getting this updated is 2026, therefore it was decided to gather evidence of usage to enable the path to be recognised as a Right of Way and included on the definitive map held by NCC. It was agreed to get Parishioners to submit evidence of past and present usage by completing a form. These forms will be held by Cllr's Hobley, Dowson and Mrs Cattermole, and further

information will be available in the *Parish News* (see page 14).

9. Two-Wheel Tuesday/Speeding

Cllr Bingham reported on the recent traffic study in the village. The data gave useful evidence of speeds of vehicles travelling through the village, although there was no evidence of any particular differences associated with Two-Wheel Tuesday. The police are aware of the event and are keeping an eye on any problems. Cllr's are to have an informal discussion with the Landlord of the Ox and Plough.

10. Neighbourhood Plan

Further comments were being sought from Breckland and the Town Planning Consultant. A workshop is to be held, the provisional date for which is 23rd September.

11. Community Project Fund Grant Application

Council agreed a grant application for £300 from the Junior Football Club for a new line-marker. Cllr Hobley to order the equipment and arrange for the invoice to be sent to PC.

12. Projects

a) Parish Council Noticeboard: a meeting is being arranged with the designer.

b) Community Car Scheme: Violet Highton has had a fall, but was still administering the scheme. Council expressed wishes for a speedy recovery.

Picnic rained off, but...

In spite of inclement weather, which forced us inside the church, the latest Village&Vestry function was most enjoyable, with music supplied by the Downtime Jazz group, this time accompanied by a wonderful singer. Wine and strawberries all helped to make a very convivial evening. Well done again to the organisers!
